

2011 National Collegiate Leadership Conference
Rock Solid Leadership - A 5-Step Leadership Self-Development Plan Presentation
Speaker Evaluation - Randy Goruk

What was most valuable to you as a workshop participant?	Would you recommend this workshop to another person? If not, why not?	What did you expect to learn from this workshop? Were your expectations met?	Do you feel the presenter(s) style was effective?	Do you have any suggestions on other areas of interest for future workshops?
personal examples	yes, awesome	All I did learn	yes	more hand out books
The presenter was awesome and interactive.	Yes	A 5 step leadership building plan	very	no
Yes	Yes	more strategic analysis, strengths/weaknesses, etc.	Yes	N/A
5 Tips	Yes	How to plan	Yes...Impressive	Public speaking
5 simple steps to self-development	Yes.	Yes.	Of course! He's a professional!	Social justice
Time to learn	Yes	Leadership development ideas	Yes	Nope
the simplicity of the presentation was impactful	yes; it is a digestable message that is easy to understand and apply to my life	Though I wasn't sure to expect, this workshop was helpful to (as stated above) make realistic the opportunity to personally develop	Yes; he was matter of fact and opinionated	Perhaps a more conversational/discussion-based learning environment would engage more participants.
Insight to common mistakes and suggestions on ways to fix and improve upon them	Yes; insightful and useful pionts were brought up and discussed	Way to improve and develop my leadership skills.	Yes, interactive with audience and used powerpoint well.	
Awesome leadership development plan	For sure, it was legit	How to develop leadership awesomeness	real authoritative and to the point	
The concrete examples and the handout	yes	Essential leadership skills; yes	yes	

The most valuable point about the workshop was the characteristics that I can develop in my leadership skills.	I definitely would recommend this workshop to another person because of the steps of leadership will learn to apply in your life.	My expectations were more than met.	The presenter style was very effective and motivational. He is very professional and the presentation grabbed my attention.	
Learning all the different aspects that help you become a better leader over time.	Yes	To make and maintain a plan for self-development.	Yes, the presentation was very interactive and kept the attention of the audience.	N/A
The quote	Yes	Leadership Activeness		Nope, it's great!
	Yes	Steps for leadership. Expecatations met.	Yes, very effective.	
learning from experience	yes	what the steps were	yes	no
very empowering. Great things to keep in mind!	Yes! Feel very enlightened about what skills I need to polish.	Steps to be a good leader. My expectations were well-exceeded.	Yes! It was so inspirational because he knew why he was teaching us leadreship, because the world needs leaders!	no, this was great. This was amazing.
Possessing an effective mindset for success.	Yes	Developing planning skills. Not really. But iwas still very informative. I enjoyed it more than what I expected.	Yes.	
Learning how to be a better leader	Yes	How to begin a better leadership style. Yes	Yes	No
Learning new perspectives on success.	Yes, even to people who have been leading for a while, it's good to learn and remember these things.	I am expecting to learn how to be more organized and successful.	Yes, he was engaging and kept the audience attention while teaching us valuable lessons.	More time for presentation.
Having a specific plan presented that is simple, manageable, and realistic.	Yes.	Expected vague directions on learning/developing leadership skills. Got a much more specific, helpful plan with concrete steps. It was really good.	Yes - I would be interested in seeing his full presentation.	

Never think you have made it	Kris Lyons	Tips to improved leadership	Yes	No
The 5 steps	yes	Not sure, however I took things I definitely miss through leadreship program	It was a bit fast past	
Engaging the audience in the discussion	Yes	The 5 steps - yes	Yes :)	
Leadership development	Yes	How to develop yourself more as a leader	Yes	None.
The presenter gave valuable information	Yes	Ways to better my leadership skills. Yes!	Yes	His adivce gets spread more widely!!
Presenter provided several resources to personal development.	Maybe. Not as exciting as other workshops have been.	Learn how development a plan to become a better leader. Perhaps...I'll have to try his ideas.	It was not as engaging as other workshops. He seems like he has a lot of great information to give, but I think this is the wrong format for him.
